## Principal's Message

Dear Students, Parents, and Staff Members,

The school calendar is a reflection of our planned journey for the academic year. It outlines important dates, activities, examinations, celebrations, holidays, and milestones that shape the holistic development of our students. At DAV Schools, we believe in nurturing young minds through a balanced blend of academics, co-curricular activities, discipline, and moral values inspired by the teachings of Maharshi Dayanand Saraswati. This calendar serves as a guide to help us remain organized, focused, and committed to excellence throughout the year. I request students and parents to go through the calendar carefully and cooperate with the school in ensuring regular attendance, timely preparation, and active participation in all activities. Together, let us make this academic session meaningful, productive, and successful. Wishing everyone a year filled with learning, growth, and achievements.—

Rekha Verma

Principal
